ANY YOUNG BACHELOR worthy of his etchings knows that his continued success as a freelance Don Juan depends in large part on maintaining the reputation he has so painstakingly acquired over his years as a practicing rogue—maintaining it

large part on maintaining the reputation he has so painstakingly acquired over his years as a practicing rogue — maintaining it and, whenever possible, embellishing it.

Nothing so smoothes his road to new bedrooms as an image which precedes him and, to the object of his amorous ambitions, says in effect that she is about to be assailed by a masterful and well-versed male whom countless women before her have found utterly irresistible and, therefore, what chance does poor little her have, really, in the face of such a marvelously overwhelming onslaught?
